

I'm submitting Grace's story because of my God-given responsibility to warn the wicked brood of vipers whom Jesus calls out in Matthew 23:33. That's not merely the hospital staff and Big Pharma, but Congresses and the Presidents who keep peddling government solutions and the charade of "Covid mistakes." It includes every one of the minions operating the beast systems satan uses to rule this world, including top officers of religions, governments, courts, banks, public commercial corporations, militaries, and all their departments, agencies, bureaus, services, commissions, and societies, including securities, health, education, transportation, agriculture, land management, lobbies...

Ezekiel 33:8-9 says, "When I say to the wicked, 'You wicked person, you will surely die,' and you do not speak out to dissuade them from their ways, that wicked person will die for their sin, and I will hold you accountable for their blood. But if you do warn the wicked person to turn from their ways and they do not do so, they will die for their sin, though you yourself will be saved."

In light of Ezekiel 33:8-9, the warning I've been called to share is urgent. Believing that perceived order can result from designed chaos is man's Achilles heel. Creating a problem and a related solution that a king (a government) will provide safety, security, and comfort is the recurring Hegelian dialectic method the minions have been using for centuries. God is calling His people to look in the mirror, repent, and put our faith in The King. Through Samuel, God explicitly declared their (our) desire for a king to be evil in 1 Samuel 12:17: "Is it not the wheat harvest today? I will call to the LORD, that He will send thunder and rain. Then you will know and see that your wickedness is great which you have done in the sight of the LORD, by asking for yourselves a king." Participation in government theatre productions and their related tentacles (not limited to their medical system being singled out in this instance) makes us accomplices to evil. Grace Schara is not here today because of my prior participation. I repented of that sin. Of course, God, in His wisdom, holds each accountable based on where they are in this scheme.

I would very much welcome a call or email to discuss any questions or comments.
