

When: What Began in the Garden Is on Steroids Today

Introduction to deceptive exoteric strategies

- A. Last time we discussed the real agenda - the esoteric battle for souls. Today we're going to discuss how Satan uses dialectics to take us on the wide road of the world in our pursuit of knowledge
- B. Satan is operating within the esoteric beast systems – his dualist nature – evil vs. less evil to trap us; he has entrapped the mystics to implement Hegelian Dialectic slide from last time PP
- C. He uses exoteric dialectics so his real agenda can proceed, unnoticed, using this favorite propaganda tool

- D. This system originated in the garden and is able to continue because of our pursuit of knowledge instead of truth – slide 15 from 'How to be 100% prepared'
Alexandra describes the importance of understanding Satan's game (the matrix) well:

Some simple examples of exoteric dialectics – the deception is getting us to doubt/not trust God (note that we are already in the esoteric trap when we are deceived by exoteric dialectics)
<https://ouramazinggrace.net/Medical%20Murder/Assets/Research/When/Hegelian%20Dialectic%20-%20Satan's%20tactic%20exposed>

Liberal/Conservative – dialectic = believe government saves

CNN/Newsmax – dialectic = believe truth comes from media

Woman's right to choose/no abortion, except for ... – dialectic = believe murder is okay

Of course, these debates are all part of larger agendas, that are disguised by these smaller traps - which we'll see coming up

A quiz – What do you believe? Beliefs motivate all actions!

<https://ouramazinggrace.net/Medical%20Murder/Assets/Research/When/Satan's%20Deception%20Answers>

Conclusion: Our desire for knowledge makes us easy targets of deception. Grounded beliefs are essential to guard us against the enemy's tactics.

A much larger Satanic picture

- A. Satan attempts to imitate God. The anti-Christ system tricks us to obeying by focusing on our choice with the goal of the security and comfort false prophet system for those who obey and survive.
- B. God doesn't control or use fear to motivate. He offers salvation freely and those who accept obey out of a heart change. God sanctifies us through obedience producing freedom, joy and peace. In Satan's system, the illusion of freedom, combined with fear, produces obedience resulting in slavery.
- C. Much bigger than these easy to see examples:

<https://ouramazinggrace.net/Medical%20Murder/Assets/Research/When/Did%20God%20really%20say>

- D. Satan preys on our desire for self-rule. The anti-Christ beast system has three major exoteric components (traps): **law** and **religion** to control and **money** to motivate. We have been deceived to believe that by following these three tricks, we'll obtain **security and comfort**. The second beast is the false prophet giving the illusion of providing this exchange, substituting for the great exchange – a bad trade (dime for nickel because nickel is larger).
- E. What does God say about each?
- Money: For the love of money is the root of all evil (1 Timothy 6:10)
Law: For whoever keeps the whole law and yet stumbles at just one point is guilty of breaking all of it (James 2:10)
Religion: These people honor me with their lips, but their hearts are far from me. They worship me in vain; their teachings are merely human rules (Matthew 15:8-9)
Religion vs. Faith definitions (Jesus was the most anti-religious person who ever walked the face of this Earth)
Security and comfort: You shall have no other gods before me (Exodus 20:1)
- F. The temptation of the beast systems is constantly at our doorstep.
Example...Vaccines are a PSYOP showing all 4 elements:
1. Love of money – incentivized physicians to kill or lose their paycheck
 2. Law – physicians kill or lose their license if don't follow standards of care; die by the law – will be held accountable by God; fear of lawsuit if patient dies by recommending anything other than government protocols
 3. Religion – vaccines save us; standards of care save us
 4. Security and comfort – childhood vaccines allow me to have a comfortable life, allowing the public fool system to raise and indoctrinate my children

Conclusion: Our desire for our own way opens the door to all kinds of deception.

Dialectics within dialectics

- A. Spiritual Battle illustrated flowchart (drill down virus example)
<https://ouramazinggrace.net/Medical%20Murder/Assets/Research/When/The%20Spiritual%20Battle%20Illustrated>
COVID PSYOP proved medical murder was by design
We keep chasing the evil because we can't accept this was the goal, both exoterically (to keep us focused on COVID) and esoterically (to have us chase and expose evil, to set up the "solution")
Problem = evil; Reaction = fear; Solution = Security and Comfort...Order out of Chaos
- B. Since we can't believe the results we are seeing was the goal, so go to the next dialectic – let's use the same anti-Christ legal system to hold them accountable!
- Levels of deception legal case – why do we need these laws in God's economy, since we have a right to life? What laws: Informed consent no teeth; medical malpractice limits promotes death; yet, no battery law! [Wisconsin law has no enforcement of battery and has put lack of informed consent under malpractice, according to State Supreme Court.]
- Crimes against humanity; Federal Constitution (we don't have a country); State Constitution; illegal laws – they used their system to make us property and then implemented an agenda to kill
<https://keystoliberty2.wordpress.com/tag/wheeling-steel-corp-v-fox/>

They have crossed every T and dotted every I through the beast's legal system, so when you try to sue you cannot win, under the dialectic that that system is founded on the principle of justice

We finally come to grips with the fact that they can legally kill us
<https://rumble.com/v26lvm-the-government-can-legally-kill-us-the-second-largest-psyop-in-the-past-120.html>

Example of how the system is designed to trap us in a dialectic
<https://www.wfla.com/8-on-your-side/tampa-bay-hospital-offers-to-discharge-malpractice-victims-bills-in-exchange-for-silence-daughter-says/>

- C. Since the anti-Christ legal system at best bleeds you dry and takes years while people continue to be murdered, you finally chase changing laws in the anti-Christ legislative system - let's elect better men to represent us!

Elections – if our country has been sold, is this a viable option?

Fraudulent elections were the goal to get us trapped into fighting to bring election integrity

Conclusion: Satan has the long view in play and knows the Second Law of Thermodynamics (Faith becomes religion; Grace becomes legalism; God is on the throne becomes man can do anything). If we don't protect our Godly positions, they erode: Order to disorder – the slippery slope. We have become the boiling frog – 6000 years in the making. Disorder/chaos is part of the plan; this way Satan can look like a savior, bringing the 'less evil' angel of light to restore order. Power back to the people sounds great, but is the last piece needed to snap the complete control grid into place. When will we realize we can't win in this rigged game? P.S. How about starting a war to really stir the pot?

Has God finally had enough of this?

- A. Just a historical phase?

The rise and fall of civilizations: 1. Bondage to spiritual growth; 2. Spiritual growth to great courage; 3. Courage to liberty; 4. Liberty to abundance; 5. Abundance to complacency; 6. Complacency to apathy; 7. Apathy to dependence; 8. Dependence back to bondage.

- B. Most people don't realize what's happening

Why this time is different than WWII, or other times in modern history? The Spirit of the Age (lovers of self; form of godliness; willingly forget; devote themselves to doctrines of demons; a lot of different movements) is the #1 indicator of the lateness of the hour; for this reason, God sends them a powerful delusion...

<https://youtu.be/wLFGRTg4vVg?si=43PSpoKLO5hFPf7->

Conclusion: We accept dialectics because we have rejected God. God is judging America. We keep participating in Satan's system, blind to the reality that we are in the days of Noah. "For this reason God sends them a powerful delusion so that they will believe the lie and so that all will be condemned who have not believed the truth but have delighted in wickedness." (2

Thessalonians 2:11 – 12) Will you make the choice to submit to God and get out of the game before it's too late?
