“OUR AMAZING GRACE’S LIGHT SHINES ON” RECEIVES NONPROFIT STATUS

APPLETON, WISCONSIN, April 12, 2022 —

“In short, the foundation plans to provide grants to individuals – including their family – and organizations who will shine God’s light, without limitation, as Grace did,” said Schara. “The activities of the foundation will likely include direct expenditures for its purpose. With that plan in mind, we have many ideas we are currently working on.”

Many hospitals are committed to following deadly treatment protocols encouraged by governmental agencies, and receive financial benefits and incentives for doing so. Schara’s case highlights many abuses, along with the dangers of financial influence. For more information about Grace’s death, please visit www.ouramazinggrace.net.
